INTOUCH

The light shines in the darkness
and the darkness has not overcome it
~ John 1-4

Methodist Church
October 2026 Issue No.57

October 2026

Dear Friends

Have you seen the Harvest Moon?

I glimpsed it through the clouds, low on the horizon. The sky was moody with some thick cloud. At any other time, it would seem ominous as if heralding a storm.

This time there was hope because there was light... the (almost full) harvest moon shrouded by clouds which could not absorb the bright light of the moon which seemed to shine defiantly.

In life, we sometimes speak of going through storms of life and fearing storm clouds which bring darkness and anxiety. Yet there is always hope, because there is always Jesus who is the Light of the World:

John 8:12

Jesus spoke to the Pharisees again. *"I am the light of the world",* he said. *"Whoever follows me will have the light of life and will never walk in darkness."*

This is a promise given to all of us who follow Jesus.

We are not promised an easy life or that we will not have storm clouds in life but, as we follow Jesus, His light will shine to show us The Way and give comfort and peace. Sometimes we may look about us in the storm and see no light, yet we can hold onto the promise that there IS light – even if we do not seem to have seen it for a while. His light is always in our hearts where we have made room for Jesus.

The wonderful Dolly Parton went home to God on 25th August 2026. She shared her faith in God in her own special way – including singing. A song that has shed light for me in stormy times, which she sang with Zach Williams is 'There Was Jesus' because *"in the waiting, in the searching, in the healing and the hurting... even when I didn't know it or couldn't see it... there was Jesus."* **He still is!**

Be blessed in His light.

Jem

From the Editor.... Good letter Jem, appreciate it and can relate to it.

Last week wasn't stormy for me - it was quite the opposite. I was truly blessed to be on holiday and had a wonderful time. Swimming in the sea was one of the many things that brought me joy and this was amplified by the time of day that we swam – approximately 5:00 pm and later. On Monday night we swam at Charmouth as the sun was literally setting. Obviously, no photographs were taken because we were swimming, but I know a photograph wouldn't have done the scene or emotion justice. Throughout the week, this pattern of swimming continued followed by our evening meal, often on the sea front at Lyme Regis - so not only did we feel the warmth of the setting sun but, as the evening became early night, we had the moon reflecting on the ever-moving sea.

One of our latest Bible Study nights focused on "*I am the Light*". Charmouth does not have street lighting, and Melanie was delighted with the shutters on our bedroom window and all the other windows because when we all retired and the lights were switched off it was pitch black. This makes my family very happy because it assists them in a good night's sleep. However, for those of us without prostheses - by us I mean me - it presented somewhat of a challenge. Our bedroom door opened straight onto a staircase that wouldn't have been out of place in a castle tower, plus there was a stair gate to negotiate further along the landing all I thought in complete black out. However, on my first nighttime expedition to the toilet as I felt the safety of the landing wall to the left of me, I nearly had a heart attack but was then elated by the sensory child light that came on enabling me to reach my destination safely and return to bed.

God is good and, as we summed up at Bible Study, sometimes it's the chink of light ahead Jesus the light of the world: comforting us, awe inspiring and showing us the path to follow.

Deadline for the next magazine is: Friday 23 October 2026
Please put this date in your diary!

There are always Opportunities to SERVE ...

As each has received a gift, use it to serve one another, as good stewards of God's varied grace...as one who serves by the strength God supplies – in order that in everything God may be glorified through Jesus Christ. To him belong glory and dominion forever and ever. Amen... 1 Peter 4:10-11

Core Bible October 2026

We meet at 7.30 pm on Monday evenings in the worship space. We are always glad to welcome new faces. This group is for everyone - whether you read the Bible daily and can quote multiple verses, or if you pick the Bible up rarely and are not sure what the names of all the books are! During September and October, we are reading the Gospel of John and exploring the seven I AM statements of Jesus. Why not come and join us? We'd love to see the group grow!

Date	Reading	Title
Oct 5 th	John 11: 1-57	I am the Resurrection and the Life Preparation: John 11
Oct 12 th	John 14	I am the Way, the Truth and the Life Preparation: John 12 and 13
Oct 19 th	John 15	I am the true Vine Preparation: John 15-21
Oct 26 th	Half Term	NO MEETING

Core Bible will return in November on the 2nd, 9th and 16th to explore the three letters of John, and our Advent Study - which is "They Sang" by Amy Scott Robinson - will begin on November 23rd for four weeks.

Advent is a time of preparation for the celebration of the coming and promised return of Jesus Christ, God with us.

How will you prepare?

Could time with others seeking to explore what Christ's coming means for us today bring a new dimension to your Christmas celebrations?

Then why not come along and give God a chance to do something new for you? We would be so pleased to see you!!

Second and Fourth Saturday Prayers

October 10th and 24th

Come and join us as we pray for individuals, our church and circuit, the community we serve and situations across the world. You can also join by participating in the Prayer Chain, which receives requests via WhatsApp or email. If you or someone you know needs prayer, please send requests to Melanie via the contact details on the last page.

Rejoice with those who rejoice; weep with those who weep (Romans 12:15)

Images can often inspire our prayers...spend some time gazing at this picture. Who, what, or where comes to mind? Are you moved to Praise? Thanks? Confession? Or Intercession for the needs of others?

As you listen, ask God to speak.

What is God saying to you through this artwork?

What are you moved to say or do in response to God?

Water, water everywhere or not!!

By the time you read this I hope that we will have had rain and that the two new water butts that have been installed in the church garden will be full.

Water is so precious. The recent donations at coffee morning were given to Water Aid UK. Can you believe that 696 million people lack access to clean water? We are so blessed to be able to turn on the tap.

So can I make a plea once more that you save as much as you can?

- When waiting for the hot tap to run warm, or the cold tap to run cold, have a bucket in the shower, or smaller vessels by the sink to catch the water and use it for plants, flushing the loo...
- Turn off the tap when cleaning your teeth.
- Have shorter showers.
- Make sure your washing machine and dishwasher are full before using.
- Boil only the amount of water needed to make your cuppa.

*Creator God,
we give you thanks for your creation and the precious gift of water.*

May we recognise the blessedness in all the earth's water and strive to care for and protect it.

In your name we pray,

Amen.

**World Homeless Day 10
October 2026/ Homeless
Sunday 4 October 2026**

Debbie Westwood

The concept of 'World Homeless Day' emerged from online discussions between people working to respond to homelessness from various parts of the world. The Inaugural day was marked on 10 October 2010, which makes 2026 celebrations the 17th annual World Homeless Day.

Churches are marking this on Sunday 4 October. The aim of Homeless Sunday is to raise awareness of the issues surrounding homelessness among churches and their congregations. The Chair of Trustees for Housing Justice and the CEO of Church Urban Fund, Rt Rev Rob Wickham, said: *'In an age when there is much talk of hatred, division and distrust of the unknown, we must remember that love and welcome for the alien and stranger are key to the Christian narrative, and an understanding of God's Kingdom. Our calling is to build an inclusive community for everyone, and not just those who look or sound like me.'*

Homelessness affects so many people, in our country and our world. In August this year Crisis reported that *'As the new Premier League season kicks off, 177,530 children are homeless and living in temporary accommodation in England. That's nearly twice the capacity of Wembley Stadium. Every child deserves a safe and affordable home as quickly as possible. So, they can build a life. So, they can dream again.'*

As Christians, we believe in and always look for hope. God is there, working in difficult situations, helping people see light and dream again. There is hope happening across Britain right now. You just need to look for it.

In May, communities, charities and faith groups came together to organise more than 1,000 hopeful events and activities across the UK.

There are groups like Crisis, Shelter, St Basil's, Centrepont and many others who support those in need and working to change the future.

One of Andy Burnham's first announcements was to end rough sleeping in our country. Groups are hopeful that action will come.

The Methodist Church have a national group who meet to discuss change and take action, showing how we can help play our part to end homelessness. **The Methodist Housing Memorial Group are reporting back to Conference in 2027 on ways Methodist buildings and land can be released from legal constraints, amongst other things, so they can be used to reduce homelessness. They have asked Methodist congregations to pray for this important change, please hold their work in your prayers.**

At Kingswinford we are playing our part too. We continue to support the work of our local scheme at Saltbrook Place and Changing Lives. We serve breakfast to the residents one Wednesday each month 12 – 2 pm. **If you could help** to serve drinks and bacon sandwiches or chat to the residents, please speak to Debbie. We sometimes struggle to staff this, and extra help would help to ensure we can continue to do this important outreach.

Judith has started cookery lessons, helping the residents to learn skills to budget cook, and bringing them together.

This year we will be sending Christmas bags to the residents again. We have done this for the last two years and they are really appreciated by those who receive them. More details will be sent in the November magazine about how you can support this.

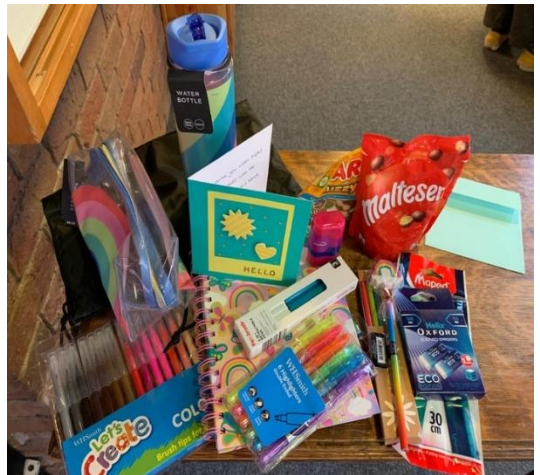

Refugee Bags

Thank you to everyone who made this year's bags for refugees possible!

The bags are now with the staff at Pegasus Academy, Dudley and will be distributed to those most in need at this time.

The staff are once again delighted to receive this support as they work with and care for these particularly vulnerable young people.

..... from WaterAid

Thanks to the Tuesday coffee morning for raising £80 for WaterAid which will help them to ensure that everyone, everywhere has a sustainable source of clean water and access to proper hygiene and sanitation. Thanks to supporters like KMC they have been able to bring a reliable supply of clean water directly to many households, transforming daily life for families on the frontlines of climate change. *“You are helping students to stay in school, focus on their future and keep their communities safe and healthy. It really has made all the difference. No one person can fix the water crisis alone. But with your group’s support we are one step closer. **We couldn’t do it without you.”***

..... from Wolverhampton Alz Café

Again, thanks to Tuesday coffee morning for raising £100 for this charity. This is much appreciated and will help to ensure that the café and all the activities they provide – evening cafés, monthly coffee mornings, alongside frequent outings – can continue to operate for the benefit of people with dementia and their loved ones, providing them with a vital lifeline.

..... from Susanne Trueman

Susanne was delighted and surprised to receive a gift – an indoor rose plant - and kind message from KMC at her new home. She said it was delivered just as she had finished sending a message to the prayer group!! Susanne sends her sincere love and thanks to everyone. Of course, we will continue to remember her and wish her well in her new life in Suffolk.

Magical Mystery Tour?

As normal on a Tuesday morning, I grabbed my shopping trolley and set out to walk the mile or so along Cot Lane to do some shopping in Kingswinford. Mindful that the 226 bus had been re-timed and re-routed via Valley Fields, I did a quick dash round the shops and caught the 11 am from Market Street.

I sat at the front and the sole other passenger, a gentleman, sat at the back. We headed for Moss Grove and the turn off (Dubarry Avenue) at Tesco's for Valley Fields; but the driver kept going and turned left at the crossroads for Wall Heath! He then stopped and, unbelievably, performed a U-turn to head back towards Kingswinford.

My fellow passenger began yelling instructions from the back seat and we duly turned right into Dubarry Avenue, before going round and around in circles and coming to a stop! I didn't know the way out and neither did the driver. My vocal friend came up front and we started off again, only to emerge at last into Summer Hill, where the driver turned left. Oh no! We were now going down Summer Hill instead of up it. I wondered whether to bail out at Wetherspoons, but held on as we performed an eccentric detour around Manor Park and Market Street before finally climbing back up Summer Hill and into Cot Lane.

I thankfully got off at Middleway Avenue, where my neighbours got on, happily saying they were going to Merry Hill. "Good luck with that", I responded, "I will hopefully see you later!"

Saturdays 3rd October & 7th November

10:30 ~ 12:00

Many church members and members of the local community regularly engage in creative activities. Each month, in this column of the magazine, we wish to highlight an example of some of the work being produced by the Coffee and Crafters.

We are busy knitting Christmas “nests” for local care homes. These nests will be filled with chocolates and given to residents of New Bradley Hall and Highfield care homes.

Would you like to join in? We have included a pattern for these nests. Any nests can be handed to Sue Wilson – or pop into Coffee and Craft with them.

With size 10 needles and 2 strands of DK wool

Cast on 30 stitches

Knit 9 rows

Next row: (Knit 3 K2 together) to the end

Next row: (Knit 2 K2 together) to the end

Next row: (Knit 1 K2 together) to the end

Cut wool and thread through remaining stitches to gather it up

Sew up

Christmas is coming

I know – we've only just gone back to school!! But we would like to give gifts to the residents of our local care homes again this year. We have chosen to give tissues in Christmas pockets. And so if you are able to help us by knitting one or two using the pattern below we would be really grateful.

With size 11 needles and DK wool in red, green or white...

Cast on 16 stitches.

Knit to 25cm.

Cast off and sew up – (inside out)

We already have all the tissues so if you can give empty covers to Megan she will put the packets in them. We will decorate them too if you prefer.

Thank you

The care homes these will go to are:

Oaklands
Castlewellan
Tiled House
Wyncroft

Christmas is coming! Yes, we have already started planning!

On Monday 7th September, Jem, Bob and Melanie met with Brian Bassingthwaighe from Kingswinford Christian Fellowship and Guy Sheppard. You may know the latter as the leader of the scouts who meet at KMC, but he was there as a leader of the Anglican congregation that meets at Belle Vue School, Lawnswood Road. (It is known as 'St Mary's and St Francis with St Clare', which Guy explains is abbreviated to SMSFSC.) We met to plan joint Christmas outreach. St Mary's (Kingswinford) and Arise Church are also interested in sharing in this outreach.

Here are some of the joint events that are planned:

27th November 2026 - Kingswinford Christmas Light switch-on, in Townend Place

The lights will be switched on at 6 pm with Churches Together Carols and mince pie give away from 6.10-6.30 pm. Leaflets will also be given out, with details of the Christmas services of all local churches.

5th December 2026 - Wordsley Christmas Light switch-on, which is between 5 and 6 pm.

Again, it is hoped that the churches will be involved, but plans are still being made.

17th December from 7.30 pm

SMSFSC invite us to join them at the **Lawnswood Pub** to sing carols and again to give out leaflets advertising services.

It is also hoped to have a further event in Townend Place on a Saturday morning during December, and carol singing at Saltbrook Place on a date yet to be arranged.

Give with just a 'tap'

How many times have you been at church and there's been an event announced (for which you'd like to purchase tickets) or a retiring collection for a national/international disaster (or other similar scenarios) but you've only brought enough cash for your weekly giving?

Well, you don't have to worry any more – Kingswinford Methodist Church now has the capability to accept card payments on our new 'tap and donate' machine, which is located in the Link.

Our **sumup** machine is easy and quick to use ... you can choose from one of four pre-set options, or you can set your own amount by using the 'keyboard' function.

Then, simply tap your bank card, 'phone or smartwatch when asked ... and that's it – simple!

The church will receive your donation within 24 hours (minus a very small processing fee) and everything is done electronically -

there's no need for anyone to have to visit the bank to deposit the cash.

So, whether it's your weekly giving, a charitable gift or simply donating at coffee after the morning service, it can all now be done through the convenience that is 'tap & give'. (Of course, giving by cash is still available and will continue to be so).

If you have any questions about the facility, please talk to Stuart. Thank you!
